The Tullow Community School U15 Boys soccer team started their season by travelling away to face Colaiste Eoin Hacketstown on the 8th of November. On a wet and windy day in far from ideal conditions for a game both teams acquitted themselves very well and played some excellent football on a very testing pitch.

It was a tight start to the game with both sides taking time to adjust to the tough conditions. The Colaiste Eoin lads held possession well for the first period of the match and made the Tullow team work hard to find a foothold in the game. It took an excellent goal from Tullows No.10 Freddie Gibson to nudge his team in front and light the spark for what was to be a dominant display for the remainder of the half. A second goal soon followed from the boot of midfielder Bradley Cummins as Tullow turned the screw on their opponents. Colaiste Eoin were not without their chances do and a near miss from midfielder Brian Whelan kept the Tullow defence on their toes. This was followed by an excellent save from Tullow keeper Callum Boland to turn away a brilliantly struck free kick from Hacketstown No.8 Sean Corless. T.C.S were to finish the half in style do with goals from goals from Jack Corcoran and left back Luke O Brein seeing them through to halftime on a scoreline of 5-0.

The second half wasn't as incident-filled as the first but T.C.S continued to assert their hold on the game and were rewarded for some brilliant possession football and swift interplay with Freddie Gibson on hand again to double his personal tally and extend the Tullow lead. Colaiste Eoin never let their heads drop and found the net through striker Brian Wheelan to get themselves onto the scoreboard. As the game reached its conclusion it fell to Tullows Bradley Cummins to have the last say in a memorable game for his team with a fine strike to seal a well-deserved 7-1 win for his team.

Tullow C.S coach Mr O'Reilly was full of praise for both teams' performances in light of the conditions and said it "Great win and an excellent performance for their first day out. We'd some great individual performances particularly from midfield and it's a good start to the league campaign."
